## *Certified SC Showcase*

COLUMBIA METROPOLITAN CONVENTION CENTER

We're building on the success of our annual Grower + Buyer Mashup to create a two-day trade show showcasing South Carolina farms, products and chefs in downtown Columbia.

**BUYERS** will meet South Carolina producers face-to-face, spot trends, and network with the Certified South Carolina team.

**PRODUCERS** will get direct access to wholesale and retail food buyers, and a variety of educational opportunities.

**CHEFS** can meet farmers, connect with their peers, and show off their skills to new audiences.
